JOB ANNOUNCEMENT
CARE International in Myanmar

Date: 16th July 2020

CARE International is one of the world’s largest independent development and humanitarian organizations dedicated to ending poverty and injustice. CARE’s vision is a world of hope, tolerance and social injustice, where poverty has been overcome and all people live in dignity and security. Since 1995, CARE International in Myanmar (CARE Myanmar) has worked in partnership with remote, rural, conflict-affected and urban communities, government and non-government actors to reach those affected by humanitarian crisis and living in extreme vulnerabilities through a non-religious and non-partisan approach.

Putting women and girls at the centre of our work, whilst equally focusing on engaging men and boys, CARE Myanmar’s 15-year Long-Term Programs focus on achieving lasting change for Vocational Skills Training, Income Generating Activities, Environment Protection and Community Infrastructure and Basic Services in northern Rakhine State. CARE International Myanmar is currently working with around 200 staff currently operating from 8 field offices across Myanmar, supported by our main office in Yangon.

The purpose of the project is to respond to strengthen the knowledge and capacity for preventive measures against COVID 19 while supporting the most vulnerable households in the targeted villages of Buthidaung and Maungdaw Township.

CARE International in Myanmar is looking for suitable candidates for the following position:

Project Officer (2) Positions _ National
Basic Salary + other Benefits

Grade: C
Duty station: Maungdaw
Supervisor: Senior Project Officer
Contract Duration: Three months

Purpose of the Role
The Project Officer (PO) is responsible for the implementation and monitoring of project activities under the COVID 19 emergency response project, with a particular focus on field implementation activities. The PO will contribute to the project intervention of coordination of COVID response, improve awareness on COVID-19 and hygiene practice in target community in northern Rakhine State as outlined in the approved project documents.

This position may be required to travel to communities frequently and overnight stays may be required.
MAIN RESPONSIBILITIES

1. PROJECT PLANNING AND IMPLEMENTATION
   - Ensure the team compiles and procures materials for project activities such as trainings;
   - Ensure the logistics planning support to the team for trainings and workshops;
   - Responsible to roll-out local activities and contribute to activity report writing;
   - Assist the team to develop monthly work plans and to implement project activities as per the plan; and
   - Engage proactively with community leaders, line department officials and other stakeholders to ensure the smooth implementation of project activities.

2. MONITORING AND EVALUATION (M&E)
   - Conduct project monitoring during field visits and ensure timely submission of field reports to the Field Office Coordinator;
   - Participate in data collection for project evaluations, research, case studies and reflection workshops;
   - Liaise with and regularly debrief with partners and communities to ensure quality trainings and processes are implemented according to deliverables;
   - Document project activities, processes, emerging models and lessons learned; and
   - Assist in the preparation of donor and other organisational reports and presentations.

3. PARTNERSHIPS AND NETWORKING
   - Provide clear explanations of the Project and CARE’s work in Myanmar to communities and other stakeholders to build positive working relationships.

4. TRAINING AND COORDINATION
   - Ensure support timely and quality delivery of technical trainings;
   - Assist with the development, refinement, and compilation of technical training materials;
   - Provide logistical support for the coordination of project activities, including trainings, field support and organizational development; and
   - Produce reports on each training or meeting, including training participants and their attendance, costs, training contents, training objectives.

5. ADMINISTRATION
   - Together with the Field Office Coordinator and Senior Program Officer develop monthly work plan based on the approved project plan;
   - Prepare field travel plans, per diem requests, and other logistics in a timely manner and in-line with project budget;
   - Ensure that CARE financial, administrative, and procurement procedures and policies are followed; and
   - Participate in regular team meetings as required.
COMMON ACCOUNTABILITIES FOR CARE MYANMAR STAFF:

- To proactively participate in the APPA process including the annual appraisal, midyear review and regular 1:1 meetings, ensuring that the APPA process (including the paperwork) is an integral component of Annual Work Plans and activities as ways of improving performance and outcomes;
- Engage in emergency preparedness, assist in any emergency response as required;
- Promote a safe and secure work environment; foster a culture of safety and security awareness and ensure compliance with the safety and security policies, procedures;
- Demonstrate an ongoing commitment to Gender Equality, Diversity, Child Protection and Protection from Sexual harassment, Exploitation and Abuse; and
- Comply with CARE Myanmar’s financial and operational requirements, foster strong communication between operations and program teams and uphold high standards of honesty and integrity in personal conduct.

EXPERIENCE AND QUALIFICATIONS:

- Minimum technical diploma and/or vocational training in a related field and/or Minimum 2 years relevant work experience;
- Good experience of emergency, humanitarian response, health, water, sanitation and hygiene related of [technical area] activities;
- Proven experience in writing good reports and maintaining accurate records;
- Demonstrated strong personal commitment to the goal of women’s empowerment;
- A willingness to learn about CARE, gender equality and women’s empowerment activities;
- Proven ability to implement project activities with supervision;
- Demonstrated skills in participatory techniques, good interpersonal skills, planning, training and facilitation skills;
- Minimum good oral and written communication skills in both Myanmar and/or local language and good English language skills;
- Minimum good understanding of desktop-based programs, including word processing, spreadsheets and databased software; and
- A willingness to work within a multidisciplinary team and experience in collaborative approaches to work.
